Buddy Platform's building monitoring solution launched in new markets

Buddy Platform Ltd's (ASX:BUD) building monitoring solution, Buddy Ohm, has been launched in Trinidad & Tobago, Barbados, Bermuda, Aruba, St. Vincent and Panama.

Digicel Group is the exclusive distributor and reseller of Buddy Ohm in the Caribbean and Central America.

Buddy Ohm can help provide new insights for building operators and tenants to monitor critical systems and drive down monthly resource spending.

The expansion of Buddy Ohm sales to the new territories comes in addition to the existing markets in the region including El Salvador, Curaçao and Bonaire.

Under the exclusive distribution and reseller agreement in place with Digicel, there will ultimately be 26 countries and territories into which Buddy Ohm is sold.

It is expected that this roll out will be concluded by the end of February 2018.
