## Tlou Energy positive as Botswana tender passes technical phase

Tlou Energy Limited (LON:TLOU) told investors it has received confirmation that the technical stage of the Request for Proposal (RFP) for Development of CBM fuelled power plants in Botswana has been passed.

It means that the Botswana Public Procurement and Asset Disposal Board (PPADB) has now approved a request to open the financial proposal in relation to Tlou's gas to power tender, as well as the rival proposal from Sekaname.
