US a big growth opportunity for Pro Global Insurance

The US insurance market is a big growth opportunity for Pro Global Insurance Solutions Ltd (LON:PROG) according to chief executive Artur Niemczewski. The outsource specialist already boasts many of the world's largest insurance and reinsurance companies as clients, but after a buy-out a couple of years ago the road is just beginning says Niemczewski. Changes to legislation in the US are offering up big opportunities he says and Pro Global's expertise in highly technical areas such underwriting support, reinsurance accounting and closed insurance books has put it in an ideal position to benefit.
