Point Loma Resources Ltd looking to grow value in Alberta

Chief executive of Alberta-focused oil junior Point Loma Resources Ltd (CVE:PLX) Terry Meek runs Proactive through the firm's activity and its ambitions.

"We operate in West Central Alberta in what have typically been conventionally producing horizons. We are applying unconventional techniques to those horizons."

Looking ahead, the strategy will be a combination of further drilling out opportunities and "selective acquisitions, explains Meek.

"We still feel there's very good value in certain acquisitions in the market today before prices run up too far ahead of us."
