Scancell research collaboration deal with European biopharma BioNTech

Cancer immunotherapy specialist Scancell Holdings Plc (LON:SCLP) has entered into a research collaboration agreement with European biopharma BioNTech as the two look to develop innovative T-cell therapies for the treatment of cancer. Scancell Co-Founder and Non-Executive Director Richard Goodfellow tells Proactive why the deal is significant for investors. The research collaboration will combine Scancell's Moditope immunotherapy platform and BioNTech's platform technology for high-throughput cloning and characterisation of naturally selected T cell receptors.

Company Synopsis:

Scancell's primary focus is to develop innovative immunotherapies for cancer that stimulate the body's own immune system. A key challenge in the fight against cancer is that many tumours successfully evade the body's own natural defences. Scancell's mission is to overcome this by developing products that stimulate the immune system to treat or prevent cancer.
