'The shackles are off Torrens' as Argonaut Resources receives final approval for drill program

Lindsay Owler, chief executive at Argonaut Resources NL (ASX:ARE), tells Proactive's Andrew Scott they've received the final approval required for a major drilling program at the Torrens project in South Australia.

An application under section 23 of the Aboriginal Heritage Act 1988 has been given the green light by South Australia's Minister for Aboriginal Affairs and Reconciliation.

This will allow the Torrens Joint Venture to proceed to a major exploration drilling program comprising up to 70 deep diamond drill holes covering an area of 120 square kilometres.
