## New Age Exploration just scratching the surface of Redmoor resource

Gary Fietz, Managing Director of New Age Exploration Limited (ASX:NAE) speaks to Proactive Investors' Danielle Doporto about an updated inferred mineral resource estimate and exploration target for its Redmoor Tin-Tungsten-Copper Project in the UK.

Fietz expresses confidence that a 2018 drilling programme will double estimated resources, transforming the site into a top five tin project in terms of both grade and scale.

He also touches on New Age Exploration's other operations, including the UK coking coal Lochinvar project as well as early stage gold exploration at Otago in New Zealand.
