Cervantes looking for fast turnaround gold projects in established mining regions

Cervantes Corp (ASX:CVS) non-executive director and exploration manager Marcus Flis speaks with Proactive Investors about how the company is looking to prove itself in the market.

"We are looking at projects that can be developed in their own right for Cervantes to become a miner... we are looking at what will maximise value for investors" says Mr Flis.

The company has a portfolio of projects focused on near term and low-cost gold production in WA. Each of Cervantes projects are within close proximity to existing and well established mining centres.
