Rox Resources seeks further acquisitions to fit near-development nickel-gold portfolio

Rox Resources Ltd (ASX:RXL) chief executive officer Alex Passmore speaks to Proactive Investors about his recent appointment and the nickel-gold explorer's portfolio of projects in Western Australia.

"The company is looking to further its existing projects but also to look at different projects, maybe more advanced projects that require a more financing and feasibility skill set," Passmore says.

He continues, "there's been over a hundred assets we've looked at in the last year - we continue to be very actively looking for assets that offer shareholder value and that strategic fit in the pre-development stage."
