Arafura Resources seizes opportunities amid US-China standoff on rare earth metals

Arafura Resources Limited (ASX:ARU) managing director Gavin Lockyer tells Proactive Investors about US-China trade tensions which have put Australia's rare earths companies in the spotlight. Lockyer said Arufura is not just sitting back and waiting to see what happens, but has an active plan to capitalise on the opportunities being created. He added the company is looking for investment from non-Chinese organisations after completing a feasibility study for its Nolans Rare Earths Project earlier this year.
