Musgrave Minerals intersects high-grade gold at Lena and Mainland Prospects

Musgrave Minerals Ltd (ASX:MGV) managing director Rob Waugh updates Proactive Investors on high-grade gold intersected from drilling at the company's flagship Cue Gold Project in Western Australia.

Both results are below the current JORC resource and highlight the potential to extend the resource at depth.

The managing director said "These are exciting and encouraging assay results, and we look forward to further strong results as drilling continues."
