Danakali focused on closing project financing and kicking off construction at Colluli

Danakali Ltd (ASX:DNK, LON:DNK) CEO Niels Wage caught up with Proactive London's Andrew Scott soon after announcing they'd received credit approval for a US\$200 million senior debt facility to fund construction of the Colluli Potash Project in Eritrea.

He says they're continuing to assess a range of options for funding the balance of the capital required to bring Colluli into production.

The advanced project has a 1.1 billion tonne ore reserve with a mine life of almost 200 years at an industry-significant production rate.
