Full interview: Linus Technologies advances Digital Asset Trust Network with IBM Aspera

Linus Technologies Ltd (ASX:LNU) chief executive officer Chris Richardson tells Proactive about the advancement of a Digital Asset Trust Network (DATN) with founding member IBM Aspera and other major industry players.

DATN is an initiative to build a solution to a problem that exists in the movie production space, as the world moves to more cloud-based servers.

The CEO said trust and security were becoming prominent issues, particularly in studios where issues like piracy needed to be overcome.

Linus Technologies is working with key partners on new innovations and initiatives to address the concerns.
