## THC Global starts manufacturing at Southport facility after green light from regulator

THC Global Group Ltd's (ASX:THC) group chief executive officer Ken Charteris updates Proactive after the company received a key medicinal cannabis manufacture permit for its Southport facility from the Australia regulator, allowing production to start immediately.

Charteris says this is a major milestone for the company and will support around 250,000 Australian patients as well as the export market.

THC Global now has the largest extraction capacity for medicinal cannabis in Australia, with a commercial launch anticipated in early 2020.
