"Great potential" in technology

TASALK CEO Dr Ross Murdoch said: "Tasmanian Alkaloids is well placed to be a lead service provider in the Australian and APAC region and we see great potential in Medlab's technology.

"This agreement has potential to provide benefit for both parties and be the basis of a longer-term partnership, while maintaining our continued freedom to operate across the full supply chain."

TASALK, a global leader in the extraction and purification of high-value plant-derived products for the pharmaceutical industry, has added medicinal cannabis products and services to its portfolio.

This includes cultivation, manufacturing, formulation, analytical and release for supply.
