Highfield Resources chairman hails submission of mining concession document for Muga project

Highfield Resources Ltd's (ASX:HFR) chairman and interim CEO Richard Crookes speaks to Proactive's Andrew Scott following the submission of its mining concession documentation for their flagship Muga project in Spain.

Crookes say it's a key milestone for them and is the culmination of several months of work and is a further de-risking of the project.

"We're hopeful it'll be a six month process ... we'll be working with the authorities in that period to make sure we have a dialogue and answer all their questions and make sure everything is satisfied so we can move forward".
