Lithium Australia taking its spodumene processing technology to the next stage of commercialisation

Lithium Australia NL's (ASX:LIT) Adrian Griffin caught up with Proactive's Andrew Scott to discuss its quarterly update to June. He says despite the COVID-19 outbreak June was a bumper quarter for the company. Among the highlights they've been awarded a grant to build a pilot plant for their spodumene processing technology. They've also received two other grants to advance its cathode manufacturing business.
