## Mali Lithium set to start drilling Koting gold discovery within weeks

Mali Lithium Ltd's (ASX:MLL) Alistair Cowden tells Proactive's Andrew Scott they're preparing to commence drilling at the high-priority Koting discovery which is adjacent to the recently acquired Morila gold mine. "Our ground surrounds Morila so the two will become one on completion of the transaction". "One of the early things we want to mine and put through the processing plant at Morila is the Koting discovery". "We'll be starting to drill as soon as the rain stops in Mali and the idea is to get some shallow oxide ore ... we hope to be drilling there in a few weeks".
